Why use Tanner James for your Public MSP Practitioner Training?

Because Tanner James offers a MSP Practitioner Course that is flexible and provides time for understanding before sitting your exam.

Flexible Exams and Course Attendance

We offer "Flexible Exams" as standard on our MSP Practitioner courses. his means, you can decide to schedule your exam at a time you feel prepared. We want you to concentrate on learning and not focusing your time around making sure you pass the exam.

You don't have to attend MSP Foundation and Practitioner courses in a single week. You can book them for separate months and still enjoy our package discount.
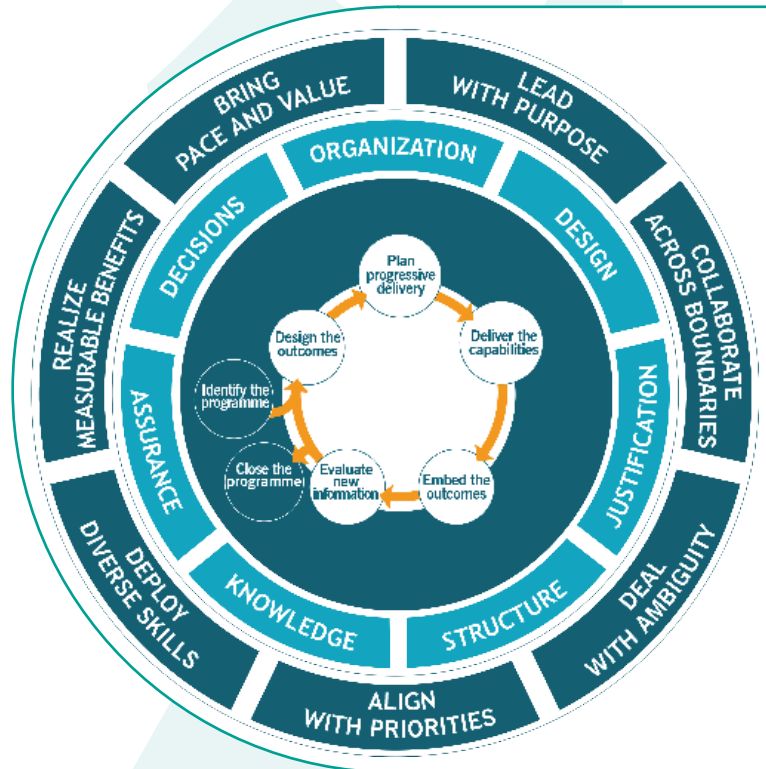

About MSP

Managing Successful Programmes (MSP) is a globally recognised, flexible programme management framework that can be used for a wide range of investments in change. It provides a way to achieve positive outcomes and realise tangible benefits aligned to strategic objectives. MSP ensures the reasons for change and the programme vision are effectively communicated and understood by all stakeholders.

About the Course

The MSP Practitioner Course is an intensive 2-day course combining revision sessions and MSP Practitioner exam practice sessions.

The course is designed to effectively prepare you to sit and pass the MSP Practitioner Exam.
