MSP® Package (Foundation and Practitioner)

Why use Tanner James for your Public MSP Foundation and Practitioner Training?

Because Tanner James offers a MSP Package that is flexible and provides post-course support that is focused on practical application in the workplace.

Implementation Support and practical application in the workplace

We don't want you to just leave with MSP qualifications; we want to give you understanding and knowledge about practical application of MSP in your workplace.

This is why our MSP Package includes a Workplace Implementation Pack. It is focused on helping you implement your training when you get back to the workplace. The Workplace Implementation Pack consists of:

- A free half-day Implementation Workshop (post-course) to help answer your specific questions about implementation in the workplace.
- Free telephone support from your trainer for up to one hour in the month following the course.
- A free implementation checklist so that you are well placed to hit the ground running when you get back to work.

The total value of this pack is $525, however we package this in your course price at no extra cost!

Flexible Exams and Course Attendance

We offer "Flexible Exams" as standard on our MSP Packages. This means, you can decide to schedule your exam at a time you feel prepared. We want you to concentrate on learning and not focusing your time around making sure you pass the exam.

You don't have to attend MSP Foundation and Practitioner courses in a single week. You can book them for separate months and still enjoy our package discount.

You receive over **$4,500** of training value

For only **$3,990**
GST Incl.

About MSP

Managing Successful Programmes (MSP) is a globally recognised, flexible programme management framework that can be used for a wide range of investments in change. It provides a way to achieve positive outcomes and realise tangible benefits aligned to strategic objectives. MSP ensures the reasons for change and the programme vision are effectively communicated and understood by all stakeholders.

About the Courses

Foundation Course

The hands-on three day course will provide you with a solid model for setting up and successfully managing a benefits driven strategic change programme within your organisation. Case study sessions are used throughout this course to focus on the practical application of the method and reinforce learning. The course will also prepare you to sit your MSP Foundation Exam.

Practitioner Course

The MSP Practitioner Course combines revision sessions and MSP Practitioner exam practice sessions.

The course is designed to effectively prepare you to sit and pass the MSP Practitioner Exam.

MSP® Package (Foundation and Practitioner)

Who Should Attend?

This package is designed for those wanting to gain a solid understanding of MSP programme management and how it might be applied within their organisation. The package is the complete pathway to take for those who require the internationally recognised MSP Registered Practitioner status.

Course Prerequisites

If you have a clear idea of the business strategies and the outcomes and benefits that you seek to deliver, you are likely to gain more from the discussions and case studies. You must pass the MSP 5th Edition Foundation exam before being able to sit the 5th Edition Practitioner exam.

Foundation Course Objectives

- Understand programme management as a vehicle for managing business change.
- Understand the MSP principles and practices in detail.
- Understand how to establish a programme vision and Target Operating Model.
- Understand how to establish a benefits realisation plan linked to a delivery plan.
- Understand how to establish programme governance structures.
- Understand how to establish and run projects as part of a programme.

Practitioner Course Objectives

- Understand the format of the MSP exam.
- Understand and have experience in answering the different styles of questions used in a MSP Practitioner exam.
- Know how to take a provided scenario and answer questions with regards to it.
- Know how to use the MSP manual effectively in an exam situation.

Exams

The package fee includes an opportunity to sit the MSP Foundation Exam and the MSP Practitioner Exam. The exam may be sat online and can be scheduled at a time where you feel best prepared. This allows you to focus your attention on learning without having the pressure of having to sit the exam.

Please note that you must have passed the Foundation exam before being able to sit the Practitioner exam.

Workplace Implementation Support

Included as part of your registration, you will receive a free Workplace Implementation Pack. The pack is designed to help you to apply what you've learnt during training when you get back to work. The pack includes; a free half day implementation workshop, telephone support and an implementation checklist.

Access and Equity

As a Registered Training Organisation (RTO), Tanner James strives to provide the optimum access and equity for candidates to its training services. To this end, it is important that clients notify Tanner James as early as possible when a participant may need to take advantage of these provisions.
