## Briefing overview

PRINCE2 Agile where control meets innovation, collaboration and flexibility.

About PRINCE2 Agile

PRINCE2 Agile combines the clearly defined framework of PRINCE2® and the flexibility and responsiveness of agile. PRINCE2 Agile covers a wide range of existing agile concepts including SCRUM, Kanban and Lean Start-up.

The best-practice guidance shows how organizations can harness the compatibility between PRINCE2 and agile, equipping them with the required knowledge, skills and processes to successfully deliver projects to meet customer requirements in today's fast-paced and rapidly-changing business environments.

About the briefing

This half-day Executive Briefing is designed to provide you with an insight into the purpose and structure of PRINCE2 Agile and how it may be applicable in your organisation.

The briefing covers a short summary of PRINCE2 including the governance, reporting and decision-making framework. The executive's role in making that a success without limiting the ability of agile to deliver benefits early, and at a high level describes how the most common agile techniques including Scrum and Kanban can be used with PRINCE2.

The briefing also provides an opportunity to discuss potential pitfalls and implementation approaches. context.

Tanner James ... Simple, practical programme and project management maturity

PRINCE2 Agile®
Executive Briefing

Briefing Objectives

On completion of this briefing you are expected to be able to:

- Understand the basic concepts of agile ways of working including behaviors and benefits
- Understand the purpose and context for combining PRINCE2 as a way to direct a project with the agile way of working
- Have a broad understanding of the focus areas of a project in an agile context
- Understand the concept of fixing and flexing the six aspects of a project in an agile context
- Understand (broadly) how PRINCE2 principles, themes, processes and management products need to be tailored to a project in an agile context.

Who Should Attend?

The briefing is suitable for:

- Executives currently directing PRINCE2 projects, who are being exposed to agile approaches; and
- Executives in agile environments wishing to understand the applicability of PRINCE2 to that environment.

Delegate Participation

You will be involved in discussions about the direction and practical application of PRINCE2 Agile within your work environment.

Access and equity

Tanner James strives to provide the optimum access and equity for candidates to its training services. To this end, it is important that clients notify Tanner James as early as possible when a participant may need to take advantage of these services.
