

Why use Tanner James for your Public PRINCE2 Foundation Training?

Because Tanner James offers a PRINCE2 Foundation Course that is focused on practical application in the workplace and flexibility.

Implementation Support and practical application in the workplace

We don't want you to just leave with a PRINCE2 Foundation qualification; we want to give you understanding and knowledge about practical application of PRINCE2 in your workplace.

This is why our PRINCE2 Foundation course includes a Workplace Implementation Pack. It is focused on helping you implement your training when you get back to the workplace. The Workplace Implementation Pack consists of:

-  **A free half-day Implementation Workshop** (post-course) to help answer your specific questions about implementation in the workplace.
-  **Free telephone support** from your trainer for up to one hour in the month following the course.
-  **A free implementation checklist** so that you are well placed to hit the ground running when you get back to work.

The total **value of this pack is \$615**, however we package this in your course price at no extra cost!

Flexible Exams and Course Attendance

We offer "Flexible Exams" as standard on our PRINCE2 Foundation courses. This means, you can decide to schedule your exam at a time you feel prepared. We want you to concentrate on learning and not focusing your time around making sure you pass the exam.

You don't have to attend PRINCE2 Foundation and Practitioner courses in a single week. You can book them for separate months and still enjoy our package discount.

Based on PRINCE2® Version 7

You receive over **\$3,400** of training value

For only **\$2,790**

About PRINCE2

PRINCE2® (Projects IN Controlled Environments) is a world recognised project management method that is easily tailored and scalable for the management of all types of projects within your organisation.

PRINCE2 is the de facto Project Management method within Australia and is widely used across government and commercial sectors.

About the Course

This three-day Foundation course will provide you with a comprehensive understanding of the PRINCE2 components and process model. It will prepare you to be able to work effectively with, or as a member of, a project management team working within an environment supporting PRINCE2. It will also prepare you to sit your PRINCE2 Foundation Exam.

PRINCE2® Foundation

Who Should Attend?

The course is designed for anyone requiring a comprehensive understanding of the PRINCE2 method, Project Managers and aspiring Project Managers. It is also relevant to other key staff involved in the design, development and delivery of projects, including: Project Board members, Team Managers, Project Assurance, Project Support and operational line managers/staff.

Course Prerequisites

There are no specific prerequisites for this course. However, if you have a clear idea of the outcomes and benefits to be delivered from projects that you are involved in, you are likely to gain more from the discussions and exercises.

Course Objectives

- Understand key concepts relating to projects and PRINCE2;
- Understand how the PRINCE2 principles underpin the PRINCE2 method;
- Understand the importance of people in successful projects;
- Understand the PRINCE2 practices and how they are applied throughout the project;
- Understand the PRINCE2 processes and how they are carried out throughout the project;
- Understand the relationship between principles, people, processes, practices, products and roles within a PRINCE2 project.

Exercise sessions

Exercise sessions and discussions are used throughout the course to reinforce the learning process. This gives you a practical way to look at how PRINCE2 can be used in your own workplace.

Exam

The course fee includes an opportunity to sit the PRINCE2 Foundation Exam. The exam is offered online and can be scheduled at a time where you feel best prepared. This allows you to focus your attention on learning without having the pressure of having to sit the exam.

Exam format:

- Multiple choice
- 60 questions per paper
- 36 marks required to pass (out of 60 available) - 60%
- 60 minutes duration
- Closed book.

Workplace Implementation Support

Included as part of your registration, you will receive a free Workplace Implementation Pack. The pack is designed to help you to apply what you've learnt during training when you get back to work. The pack includes; a free half day implementation workshop, telephone support and an implementation checklist.
