

# PRINCE2® Package (Foundation and Practitioner)

Why use Tanner James for your Public PRINCE2 Foundation and Practitioner Training?

Because Tanner James offers a PRINCE2 Package that is flexible and provides post-course support that is focused on practical application in the workplace.

## Implementation Support and practical application in the workplace

We don't want you to just leave with PRINCE2 qualifications; we want to give you understanding and knowledge about practical application of PRINCE2 in your workplace.

This is why our PRINCE2 Package includes a Workplace Implementation Pack. It is focused on helping you implement your training when you get back to the workplace. The Workplace Implementation Pack consists of:

-  **A free half-day Implementation Workshop** (post-course) to help answer your specific questions about implementation in the workplace.
-  **Free telephone support** from your trainer for up to one hour in the month following the course.
-  **A free implementation checklist** so that you are well placed to hit the ground running when you get back to work.

The total **value of this pack is \$525**, however we package this in your course price at no extra cost!

## Flexible Exams and Course Attendance

We offer "Flexible Exams" as standard on our PRINCE2 Packages. This means, you can decide to schedule your exam at a time you feel prepared. We want you to concentrate on learning and not focusing your time around making sure you pass the exams.

You don't have to attend PRINCE2 Foundation and Practitioner courses in a single week. You can book them for separate months and still enjoy our package discount.

## Based on PRINCE2® Version 7

**You receive over \$4,500 of training value**

**For only \$3,990**  
GST Incl.

## About PRINCE2

PRINCE2® (Projects IN Controlled Environments) is a world recognised project management method that is easily tailored and scalable for the management of all types of projects within your organisation.

PRINCE2 is the de facto Project Management method within Australia and is widely used across government and commercial sectors.

## About the Courses

### Foundation Course

The three day course will provide you with a comprehensive understanding of the PRINCE2 components and process model. It will prepare you to be able to work effectively with, or as a member of, a project management team working within an environment supporting PRINCE2. It will also prepare you to sit your PRINCE2 Foundation Exam.

### Practitioner Course

The two day course combines revision sessions and PRINCE2 Practitioner exam practice sessions.

The course is designed to effectively prepare you to sit the PRINCE2 Practitioner Exam.

# PRINCE2® Package (Foundation and Practitioner)

## Who Should Attend?

This package is designed for those wanting to gain a solid understanding of PRINCE2 project management and how it might be applied within their organisation. The package is the complete pathway to take for those who require the internationally recognised PRINCE2 Registered Practitioner status.

## Course Prerequisites

If you have a clear idea of the outcomes and benefits to be delivered from projects that you are involved in, you are likely to gain more from the discussions and exercises. You must pass the foundation exam before being able to sit the practitioner exam.

## Foundation Course Objectives

- Understand key concepts relating to projects and PRINCE2;
- Understand how the PRINCE2 principles underpin the PRINCE2 method;
- Understand the importance of people in successful projects;
- Understand the PRINCE2 practices and how they are applied throughout the project;
- Understand the PRINCE2 processes and how they are carried out throughout the project;
- Understand the relationship between principles, people, processes, practices, products and roles within a PRINCE2 project.

## Practitioner Course Objectives

- Understand how to apply PRINCE2 to a specific project.
- Know how to use the PRINCE2 manual effectively.
- Understand and have experience in answering the different styles of questions used in a PRINCE2 practitioner exam.

## Workplace Implementation Support

Included as part of your registration, you will receive a free Workplace Implementation Pack. The pack is designed to help you to apply what you've learnt during training when you get back to work. The pack includes; a free half day implementation workshop, telephone support and an implementation checklist.

## Exams

The package fee includes an opportunity to sit the MSP Foundation Exam and the MSP Practitioner Exam. The exam may be sat online and can be scheduled at a time where you feel best prepared. This allows you to focus your attention on learning without having the pressure of having to sit the exam.

Please note that you must have passed the Foundation exam before being able to sit the Practitioner exam.

## Access and Equity

As a Registered Training Organisation (RTO), Tanner James strives to provide the optimum access and equity for candidates to its training services. To this end, it is important that clients notify Tanner James as early as possible when a participant may need to take advantage of these provisions.
