

Learning Overview

Tanner James is providing a delivery model that is flexible and supportive of the new ways of working.

With so many people now working remotely and in different regions, it is difficult to get to a location for a course. Combine this with the pressures of business, and the need to dedicate continuous blocks of time to training public face to face and even virtual is costly to those wishing to upskill and gain accreditation.

What you get

- PeopleCert eLearning System
- Official Training Materials covering:
 - Core elements of the best practice,
 - Principles,
 - Themes/Practices and
 - Processes
- eBook – Best Practice
- Mock Exam
- Exam Voucher

eLearning

Official eLearning is designed to empower you with a dynamic, flexible, personalised, and engaging approach that enables you to sharpen your skills and reach your educational objectives.

eLearning support

eLearning support is provided by PeopleCert for its installation and use. This can be accessed through the PeopleCert website.

Flexibility at your fingertips

The eLearning enables you to tailor your individual learning needs, adapting to your schedule and preferences, providing a unique learning experience that can be enjoyed in any location, anywhere in the world.

Self-Directed Learning

Choose your learning path, exploring resources independently and navigating the material at your own speed to select the depth of focus that suits you.

Engaging Learning Environment

Learning has never been easier. Online course materials and training modules include multimedia elements, interactive quizzes, and engaging activities. All available on desktop and mobile.

Real-Time Feedback and progress tracking

Beyond quizzes and other knowledge check activities, Learning Process checklists help you test your understanding and identify areas for improvement.

Unparalleled Quality

Developed by PeopleCert, the official eLearning courses are based on the latest, most up to date materials and industry best practices. eLearning packages come with all the prerequisite materials needed to prepare for the exam.
